

PestEye Camera User Instructions & Safety Guide

Basic Operation

- Power On: Press and hold the button briefly to switch the camera on.
- Power Off: Press and hold the button briefly to switch the camera off.
- Auto Shut-Off: The camera will automatically power down after 5 minutes of use.

Charging

- Use the USB port located on the side of the device.
- This port is for charging only – it has no other function.
- Recommended charging time: maximum 2–3 hours.
- For typical use, charge once per week, depending on usage.
- Plug the charger into the port; an LED will light up. Press the button to turn off the LED and start charging. Don't leave it plugged in after it's full. Be sure not to over-charge it.

Cleaning

- Clean the lens gently with a cotton swab moistened with lens cleaner.
- Dry immediately with a clean, soft cloth.
- Do not use thinners, solvents, or abrasive chemicals.

Important Safety Information
